WARNING:

THIS IS NOT A TOY. DO NOT ALLOW CHILDREN TO CLIMB, HANG FROM, OR PLAY ON THIS ITEM. To prevent frost damage, please empty all water from the "pond" area in temperatures below 41° F / 5° C.

CARE AND MAINTENANCE:

Jacob's Surprise is made of durable, weather-resistant polyresin, finished in top quality outdoor paint with a final coat of clear lacquer. Many of our Stone Art™ products are hand finished and/or may include natural minerals such as granite, marble and wood. Therefore, you may see slight variations from piece to piece in finishes and materials.

To clean your statuary, use only a soft cloth or sponge, water and very mild, well-diluted dish soap. To avoid scratching or damaging the finish, DO NOT USE ABRASIVE CLEANERS, BRUSHES OR STEEL WOOL. If placing water in the large "pond" area, DO NOT USE CHEMICALS such as chlorine or bleach to keep the water clean. The pond can be used as a birdbath or bird feeder, or to showcase beautiful stones. The weight limit for placing objects in the pond is 5 kg / 11 lbs maximum. Please do not overload the pond.

ASSEMBLY INSTRUCTIONS: Jacob's Surprise comes fully assembled. Place the statuary on level ground in the desired location.
