**PLEASE READ ALL INSTRUCTIONS BEFORE USE.**

**WARNING:**

1. THIS IS NOT A TOY. DO NOT ALLOW CHILDREN TO CLIMB, HANG FROM, OR PLAY ON THIS ITEM.
2. To prevent frost damage, please empty all water from the “pond” area in temperatures below 41° F / 5° C.
3. This item is fragile. Please be careful not to tip it over.

**CARE AND MAINTENANCE:**

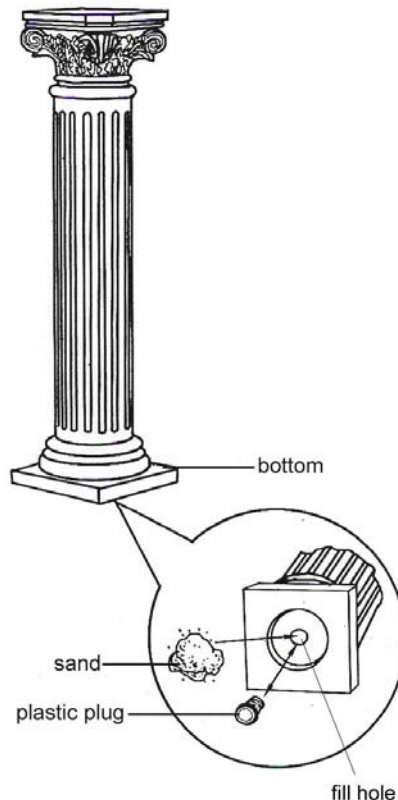

The column is made of durable, weather-resistant polyresin, finished in top quality outdoor paint. Many of our Stone Art™ products are hand finished and/or may include natural minerals such as granite, marble and wood. Therefore, you may see slight variations from piece to piece in finishes and materials.

To clean your column, use only a soft cloth or sponge, water and very mild, well-diluted dish soap. To avoid scratching or damaging the finish, DO NOT USE ABRASIVE CLEANERS, BRUSHES OR STEEL WOOL.

**ASSEMBLY INSTRUCTIONS:**

**ASSEMBLY INSTRUCTIONS:**

1. The Architectural Column comes fully assembled. Place the column on flat, level ground in the desired location.
2. If desired, you can weigh the column down by filling the base with sand. To fill the base, carefully lower the column onto its side and pull the plastic plug out from the fill hole on underside of the base.
3. Fill the base through the fill hole with sand and re-insert the plastic plug when completed and carefully stand the column back onto its base.
4. Please wear gloves to avoid hurting injury when filling or cleaning sand.
