CARE AND MAINTENANCE:

Bookworms on a Bench is made of durable, weather-resistant polyresin, finished with a top quality outdoor paint and a final coat of clear lacquer. Many of our Stone Art™ products are hand finished and/or may include natural minerals such as granite, marble and wood. Therefore, you may see slight variations from piece to piece in finishes and materials.

To clean your statue, use only a soft cloth or sponge, water and very mild, well-diluted dish soap. To avoid scratching or damaging the finish, DO NOT USE ABRASIVE CLEANERS, BRUSHES OR STEEL WOOL.

ASSEMBLY INSTRUCTIONS: Bookworms on a Bench comes fully assembled. Place the statue on a level surface in the desired location
