WARNINGS AND CAUTIONS

CAUTION

- Keep the cords away from high temperatures or other heat sources.
- Avoid using the product when water temperatures fall below 35°F or exceed 120°F.
- Operate in freshwater only. Avoid heavily chlorinated water and water with high pH levels.
- Do not lift the product by its power cords.

PREPARATION

Before beginning assembly or operation of product, make sure all parts are present. Compare parts with package contents list and diagram above. If any part is missing or damaged, do not attempt to assemble or operate the product. Contact customer service for replacement parts.

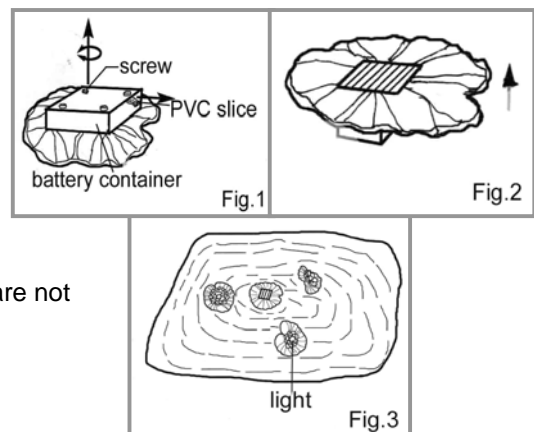

Estimated Assembly Time: 5 minutes.

Tools Required for Assembly: Phillips screwdriver (not included).

ASSEMBLY INSTRUCTION

1. Loosen four screws on the back cover of the battery container, and then pull the PVC slice in the direction of the “open” arrow. Re-tighten the screws completely. (Fig.1)
2. Place the product onto the water with the solar panel facing upwards. (Fig.2)
3. The LED lights within the lily pads will illuminate once there is the sufficient light around the product. (Fig.3)

NOTE: The diagrams shown are for illustrative purpose only and are not drawn to scale.

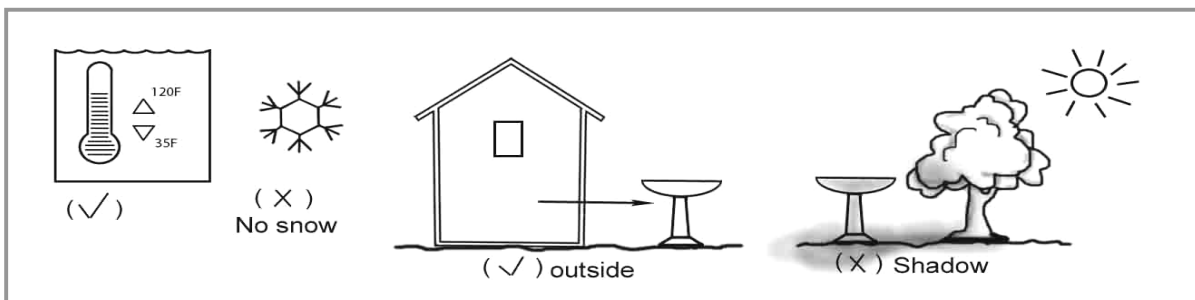

CARE AND MAINTENANCE

1. Clean the product periodically to prevent mineral deposits and contamination. Use soap with a cloth for heavily stained surfaces. Clean the solar lily pads with water. Do not use harsh chemicals as this will damage the finished surface and void the warranty.
2. When not in use, remove the product from the water and keep it dry. Open the back cover and inspect the battery container for any moisture to avoid the damaging the product due to battery corrosion.
3. Replace the rechargeable battery if you notice a performance reduction in product.
4. Each Peaktop product may have variations in texture, finish and appearance from one unit to the next. This enhances the beauty of the product and makes your Peaktop product uniquely individual. Some products and finishes are intentionally weathered or work in appearance for aesthetic design.

TROUBLESHOOTING

Problem	Possible Cause	Corrective Action
The LED lights do not function.	<ol style="list-style-type: none"> 1. The solar panel is not absorbing enough light. 2. The surface of solar panel is dirty; 3. The battery may be damaged. 	<ol style="list-style-type: none"> 1. Move the solar panel to sunnier location; 2. Clean the solar panel; 3. Replace the battery with AAA size NiMH rechargeable type.

IDEAL OPERATING CONDITIONS

LIMITED WARRANTY

1. Warranty covers only properly installed and maintained units. Pump warranty is limited to applications pumping fresh water at a temperature between 35 °F - 95 °F, with a pH range of 5 – 9. Other liquid applications or extreme temperature uses must be approved in writing by the manufacturer.
2. All pumps & electrical products are warranted to the user against defective material and workmanship, under normal working conditions. This warranty period begins on the date of purchase by the original purchaser. The length of coverage for SOLAR LED FLOATING LILY PAD EB0200NA is one year.
3. The manufacturer will make a good faith effort for prompt disposition regarding all warranty claims. Returned product will be inspected to determine cause of failure before warranty is applied. Warranty does not cover any costs associated with the installation and removal of products or parts subject to this warranty. For products damaged in transit, a claim should be filed with the carrier.
4. Warranty claims must be made by returning the defective parts, freight pre-paid, along with proof purchase and a dated store receipt to:
Silk Road Group, 801 Penhorn Ave, Unit 4 Secaucus, NJ 07094
5. The warranty and remedy described in this limited warranty is an exclusive warranty and remedy in lieu of any other warranty or remedy expressed or implied. All other warranties and remedies are hereby expressly excluded, including but not limited to any implied warranty of merchantability of fitness for any particular purpose. This warranty gives the buyer and user specific legal rights, and buyer and user may also have other rights which vary from state to state. Some states do not allow exclusions or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.
